Intercollegiate Event / Hobby Project / Sports / Cultural / Literary / Quiz / MUNSoc / DEBSoc /
Technical Team / Organizing Event in Campus / Any Others

Details of the Participating Event / Activity**DECLARATION**

- I'm thankful to the University to giving me an opportunity to (i) compete and showcase my extra-curricular ability (ii) organise an event (tick the appropriate one)
- I am participating in this **activity** on my own free will & understand that academics are my primary priority and will take all necessary steps to ensure that my academic performance is not affected due to my participation in this **activity**.
- I understand that the Department / University is encouraging me by allowing me to participate in this **activity** and is also doing its best to help me in my academics. I will not hold the Department / University responsible if I am unable to cope up with my academics due to my participation in this **activity**.
- I will not miss classes, other than the number of days officially permitted, for the sake of participation in this **activity**, for which I shall submit attendance request forms duly signed by the Dean, Student Affairs.
- I recognize that a minimum attendance of 80% is mandatory in all the courses as per University guidelines. **If my attendance falls below 80%, it shall be only against officially permitted absence from the Dean, Students Affairs office. I shall also ensure that I am physically present for at least 70% of the classes for all the courses, even after participation in events / activities,** and my total attendance inclusive of those officially permitted will be above 80%, failing which I may be declared as NSAR (Not Satisfying Attendance Requirement) and not permitted to take up the ESA for the courses for which I fall short of attendance.
- I have informed my parents about my participation in this **activity** and have taken their consent for the same (signature for consent provided here under).
- I will take care of my wellbeing and not hold the Department / University responsible for any mishap that might occur during the course of my work for the **activity**.
- I will be a true ambassador of the University, will not indulge in any harmful / unethical activity that will bring disrepute to myself and the University and will always uphold the core values of the University - Perseverance, Excellence and Service.
